## Environmentally Friendly Music Books

PEFC's (Programme for the Endorsement of Forest Certification) aim is to assure that the world's forests are managed sustainably and that their functions are protected for present and future generations. PEFC-certified timber and paper products are an independently verified assurance to consumers and companies that they are buying wood products from sustainably managed forests. By choosing PEFC, buyers can help combat illegal logging. PEFC is the world's largest forest certification system & resource of certified wood products.
