Where numbers in circles appear more than once the same finger is employed by stretching across in the fingerboard in position indicated.

Numbers in circles represent the positions of the fingers of the left hand on the fingerboard.

Strings left unmarked are to be omitted from chord.

Chords built on C

C

Seven different fingering patterns for the C major chord on a 5-string guitar. Fingerings range from 1-2-3-4-5 to 1-2-3-4-5, with some variations including open strings on the 1st and 2nd strings.
